CASO, in partnership with the Ministry of Culture and the Department of Foreign Affairs and International Trade Canada, is pleased to offer our Member Companies the opportunity to participate in an incoming Brazilian Mission at the Ottawa International Animation Festival on Tuesday, October 13<sup>th</sup>, 2009.

The theme of our one-day event is "The Nuts and Bolts of Animation Production in Canada". The goal is to educate our Brazilian counterparts on our successful and world-renowned animation business practices, with an eye to providing service and co-production opportunities to them and their ever-growing Canadian Co-Production Producers.
